On a substantial corner allotment (approx 650sqm), this enormous double-storey home delivers a family lifestyle of immediate quality and exceptional floorplan flexibility along with uninterrupted views across the vast expanse of Brimbank Park all the way to the city skyline. Filled with natural light, the home's impeccably presented interior comprises a large master bedroom with WIR and its own double-vanity ensuite with spa, three additional bedrooms (BIRs), two extra bathrooms, upstairs retreat and study. Adding to the appeal is a front sitting room (or home office), formal lounge/dining and expansive open-plan family/meals area complemented by a granite-bench kitchen with large pantry and stainless-steel appliances. Other standouts include impressively high ceilings, solid hardwood floors, ducted heating and split-system air conditioning, large laundry, understairs storeroom and marble-top bathroom vanities. Step outside to discover a wonderfully wide north-facing backyard with an undercover front balcony, garage via gated driveway (both remote-controlled), tandem double carport and additional secure off-street parking via Nebula Court. Walking distance to riverside trails, local parks, playgrounds and bus stop on Stenson Road, it's also close to popular schools and kinder/childcare facilities, as well as easy access to Keilor Central Shopping Centre and the Western Ring Road.
