What is it that makes a house a home? Is it design, the decor, the location or the lifestyle that it has to offer? Well, it's a combination of all of these things, and this property has all this and much more. Located on a quiet, leafy green street, it's just a stroll to the Beaufort Street restaurant and cafe strip or an easy bike ride to the CBD or Perth's beautiful Swan River. This is not your average 1 bedroom flat. A great deal of thought has gone into designing a property that doesn't just look good, but functions well as a home and living space. Many of the areas of the home are dual purpose, allowing you to use the property in a number of ways. Like to entertain? The carport opens up to the courtyard and downstairs living room creating a large entertaining area. Features include:

- Brilliant location
- Fully air/conditioned
- Huge balcony off the bedroom
- Large ensuite bathroom
- High spec fixtures and fittings
- Built in fridge & freezer
- Washer, dryer & clothes line
- Loads of storage
- Secure parking at the door
- Private courtyards
- Pet friendly
- 6-to-12-month leases considered
- Available from 11/06/2024
