Welcome to 21 Plumbago Street, Craigieburn, where sophistication meets comfort in this meticulously designed home. Upon entering, you are greeted by a versatile rumpus/study room, setting the tone for the intelligent use of space throughout. The elegance of the home extends seamlessly with floorboards gracing every inch, creating a timeless and cohesive aesthetic. The kitchen, a culinary haven in the heart of the home is equipped with top-of-the-line Bosch appliances, including a 900mm stove and a 600mm oven. A 60mm waterfall island bench steals the spotlight, providing ample space for both preparation and socialising, with storage cabinets underneath for added convenience. Adjacent to this culinary masterpiece is an open-plan living and dining area, complete with a walk-in pantry for all your storage needs. The home seamlessly blends indoor and outdoor living with stacker doors opening onto the covered alfresco dining area. The garden is a room of its own – meticulously landscaped for all seasons. The residence boasts a large master bedroom featuring a walk-in robe and built-in wardrobe, complemented by an ensuite adorned with a floating bathtub, his and hers basins, a spacious shower, and a discreetly enclosed WC. The accommodation wing features 4 bedrooms with built-in mirrored wardrobes, ensuring both style and practicality. A central bathroom offers a luxurious escape with a bathtub, large shower, and a single basin. Additional powder room cater to the convenience of the rear bedrooms. This home doesn't just stop at aesthetics. With a laundry room offering an abundance of storage and outdoor access, every aspect of daily living is considered. The 2.7m high ceilings add an extra dimension of space and airiness, creating an inviting atmosphere. Stay comfortable year-round with ducted heating and a refrigerated air conditioning. Embrace sustainability with a 10 KW solar panel system, contributing not only to a greener footprint but also to substantial cost savings. The double garage offers not only parking but also integrated storage solutions to keep the space organised and functional plus so much more! This is one home you don't want to overlook.
