Set behind the picket fence is this beautiful home in a great location just a short stroll to schools and shops. There is good shedding and being on a 950m² corner allotment access to the shed is a breeze. There is a formal lounge, two traditional sized bedrooms, a grand hallway and a traditional country kitchen that features the original working wood oven and fireplace. Classic timber features throughout in the traditional manner of homes built in this era along with high ceilings plus some mod-cons like air conditioning, ceiling fans, roller shutters & security screen doors. The bathroom has been upgraded and there is a smaller third bedroom. The grounds are immaculately maintained with a little lawn, scattering of fruit trees and established trees for some summer shade. If entertaining is on your agenda then under the paved pergola will certainly hit the spot. Give Dave a call to arrange an inspection!
