Located in the ever popular Park Lane Living Retirement Village this spacious 2 bedroom unit will not last long. As the price of property skyrockets outside the park, come through for a look and see what you get for your money. Positioned to take full advantage of the Northerly aspect the unit has a long list of features: 2 full bedrooms with built in robes to each. A semi ensuite scenario with direct access from the main bedroom. Two lovely open bay windows adding natural light and appeal. Massive open plan living space rarely found in units of this value. Separate dining area and direct access to the covered outdoor area. Full length front bullnose verandah, single carport, large garden shed and two toilets. Call to discuss an inspection and I'm happy to go through the entry process and all terms and conditions.
