Nestled in the picturesque foothills of Tamborine Mountain, situated 40*min Brisbane and 40*min to the Gold Coast, this sprawling 31*hectare (77.45* acre) estate, is the dream country farm you've been waiting for. Located half way between the Gold Coast and Brisbane at picturesque Cedar Creek, this property is perfectly secluded and private. The first of the many attractive natural elements one notices on arrival at the property is the generous 400+*m frontage along Cedar Creek, with natural spring-fed waterfalls and waterways. Open pastures, elevated forests and rolling landscapes are just some of the breathtaking features, of this family farm. Here you will enjoy making memories with family and friends. The comfortable colonial home adds to the charm of the property, however if you wish to build your dream home there are multiple sights that capture magnificent views up north up the valley and across the property. • 31-hectare* (77.45 acre*) estate, secluded and private, 5 paddocks for livestock grazing, 2 horse paddocks • 400*m Cedar Creek frontage with double frontage to a seasonal creek natural waterfalls and rock holes • Open pastures and rolling landscapes. • Massive, powered 9.5*m x 24*m, 8-bay shed, perfect for storing all of your equipment, machinery and recreational toys • 4 bedroom, 2 bathroom circa 1900*, colonial home with classic features, traditional finishes, will be hard to keep family and friends away, and so many memories to be made here!
