21 Santena Street, Yangebup, WA 6164

Area: 533 m2

Type: Residential Land

\$425,000

21 Santena Street is arguably the best available land on the market right now in Yangebup! This huge 533m² is set high on the hill and is expected to be snapped up quickly! Even with a single storey home, this huge block will allow for a decent sized back yard. If you're considering a 2 storey home, there is the potential of ocean views. (Check with your builder) House & Land Packages are available - please contact me to see options on various budgets. Santena Street is one of the best streets available in Yangebup and with its close proximity to parks, schools, shops and cafes its easy to see why! Its an absolute pleasure to present this parcel of land to market. Matt Hughes - 0401459405
