INSPECTION BY APPOINTMENT Situated at 21 Saunders Street, Mosman Park, this property presents an exceptional opportunity to own a Paul Odden designed residence. Boasting a South of France Villa-esque aesthetic, the property features 3 bedrooms, 2 bathrooms, study, dining, lounge and separate living room offering both style and functionality. The standout feature of this property is its remarkable location. Perched atop a cliff, the property commands sweeping views of its surroundings, with a coveted North-facing panorama that captures the essence of riverside living. The breathtaking vistas of the river and beyond creates a sense of tranquility that is unrivaled. The design of the house is a testament to Paul Odden's iconic style. The architecture masterfully blends classic influences with modern comfort. The result is a comfortable 80's home that exudes charm and character. The interior of the property offers a seamless flow between living spaces, making it an ideal setting for both comfortable living and elegant entertaining. The carefully crafted layout takes full advantage of the property's unique cliff-top position, allowing residents to enjoy the scenery from multiple vantage points. In summary, 21 Saunders Street, Mosman Park, presents an extraordinary opportunity to own a property with a rich design heritage. Its South of France Villa-esque design provides living space that embraces its stunning location. The cliff-top perch offers sweeping views, capturing the essence of riverside living. This property is a masterpiece that seamlessly marries classic aesthetics with modern livability, making it a truly exceptional find in one of the most sought-after areas.
