Build up and enjoy ever changing views over Lake Victoria and distant mountains! Right opposite the beach, walk across the road and spend the day on the water. Tucked in a quiet court location easy access out onto the water with the boat ramp virtually opposite, this would be perfect for the build with a view! The block is elevated from the road and has been cleared towards the rear of the block which is where you will want to position the home. With limited water view blocks available in the town, this one is well worth a look.*****CShell Real Estate does not warrant, guarantee or make any representations regarding the currency, accuracy, correctness, reliability, usability or any other aspect, of the material presented on the CShell Real Estate Website and it is recommended that prospective purchasers and users of the website make their own enquiries and seek independent legal advice in relation to the subject property.
