\$580,000

Work from home in this spacious and versatile property. With ample space for a home office or a home-based business, this property offers endless possibilities. Formally operating as Milpara Community House for many years, the central location provides convenience and accessibility, making it an ideal choice for those looking to combine work and family life. This property is perfect for a large family, offering a possible five bedrooms and multiple study rooms. The generous floor plan ensures everyone has their own space to work, study, or relax. Featuring seven split systems throughout the property, you can enjoy year-round comfort in every room. Whether it's a hot summer day or a chilly winter night, you can easily adjust the temperature to suit your preferences. The central kitchen offers electric cooking, ample bench space and pantry. The property also boasts a range of desirable features, including an alarm system, storage rooms and built-in robes to bedrooms. These features add convenience and practicality to your everyday life. You'll have plenty of storage space, ensuring a clutter-free living environment. Externally there is vehicle access to the side of the property and designated parking areas at the front. There is a lockable shed/workshop and spacious securely fenced rear yard for the kids and pets to play safely. Don't miss out on this fantastic opportunity to own a spacious and versatile property in a central location. Embrace the flexibility of working from home and enjoy the convenience of a well-designed layout. Contact us today to arrange a viewing and discover the endless possibilities this property has to offer.
