Enjoying breath taking views and a private elevated position, this incredible three bedroom family residence promises to be everything you have been looking for plus a whole lot more. From the glittering waters of Port Phillip Bay to the twinkling lights of the city skyline, every day offers a different vista and a new experience - and come New Year's Eve, you'll have front-row seats to the most spectacular fireworks extravaganza, right from the comfort of your own home! Situated in the heart of Rye, this beautiful home offers more than just stunning views. Positioned on a large useable allotment and designed over two spacious levels, the interior of the home offers a long list of quality features including polished timber flooring throughout, ducted heating, split system cooling, high ceilings, built in robes to all bedrooms, plus a large primary suite featuring a his and her built in robes and a full ensuite. Car enthusiasts will also delight in the ample car accommodation provided by not only a double car garage but also an additional four-car garage and powered workshop located in the large rear yard. There's plenty of room for all your vehicles, tools, and toys! Immerse yourself in the vibrant coastal community, where charming cafes, boutique shops, and pristine beaches are just moments away. Spend your days exploring the iconic Peninsula Hot Springs, indulging in gourmet delights at the local wineries, or soaking up the sun at the renowned Rye Foreshore Reserve. For the avid golfer, world-class courses like The Dunes Golf Links and Moonah Links Golf Club are within easy reach, promising endless hours of enjoyment on the green. And with the picturesque Mornington Peninsula National Park right at your doorstep, outdoor adventures abound, from bushwalking to birdwatching and everything in between. Whether you're seeking a peaceful coastal retreat or a bustling family hub, 21 St Andrews Drive offers the perfect blend of luxury, convenience, and leisure. Don't miss your chance to call this slice of paradise home.
