The property was built in the 1960's, giving this home a retro-charm that is guaranteed to put a smile on the face of anyone who visits this home. The morning sun warms the front yard, patio and living areas. Upon entry, you're greeted to an open-plan living, sitting and dining area. The four bedrooms surround the central space, all with built-in wardrobes. One of the bedrooms does have internal stairs coming up through it. So we have considered this to be a bedroom, office/study or a 2nd living area, as closing off that internal stair access is quite easy. This home will suit the tenant looking for a quiet but also convenient beachside lifestyle. Property features include:• Freshly painted• Timber flooring throughout• Ceiling fans• Kitchen overlooking rear yard• Ample kitchen storage and gas cooking• Dishwasher and Pantry• Inbuilt desk off kitchen area• Internal Laundry leads onto the outside covered area• Spacious bedrooms with ceiling fans• Upstairs balcony• Main bathroom with separate toilet• Sun-drenched front deck• Plenty of storage under house off single garage• Lock up garage with internal access• Single car spot left of garage• Central location close to the local cafe's and beaches• Gardens maintenance including in weekly rent\*\* Pets Considered on application (not fenced)Please note:\*\*\*\* ALL Inspections are QLD TIME\*\*\*• You must register for inspections or you may miss out on updates, time changes or possible inspection cancellation.
