Welcome to this charming Colonial era home situated in the heart of town. With its high ceilings and classic architecture this property is a true gem. 6 panel solar system. Boasting 2 spacious bedrooms that flow onto an enclosed verandah + a separate space that could easily be converted into a third bedroom, this home has plenty to offer. Its master bedroom features a rather big walk-in-robe. The enclosed verandah area is ideal for an office or a hobby area. There is a second lavatory in the laundry room. Near new roof. Good quality quiet street. The big open plan kitchen (constructed with Tasmanian Blackwood), lounge and dining area is perfect for hosting guests and entertaining loved ones. This space is great for creating memories that will last a lifetime. A large air conditioning unit services all of this area easily. Step onto the rear deck and enjoy views of Mount Marley and part of the CBD. There is a ramp down onto a sizeable backyard with multiple sheds and a single car lock up garage. Don't miss out on the opportunity to make this house your home. Contact Logan Steele today to schedule your private showing on 4681 3311.
