This lovely 4-bedroom plus study or 5th bedroom, 2-bathroom house is the perfect family home. Step inside and be surprised by the excellent floor plan that boasts master bedroom with ensuite and walk-in robe, 2 separate living areas and a bright, well appointed kitchen/meals space that overlooks the backyard and ducted heating and cooling for all year round comfort. Its the little things that this home has that sets it apart from the others and these include the spacious study that could be a 5th bedroom if required, 6kw solar system to offset the power bills, 2 different entertaining areas, double garage and a separate workshop or 3rd car accommodation option for that special vehicle. Add to that the secure entrance and the quiet location then you have the perfect place to sit back and relax, entertain or have that growing family. Properties like this are not around for long so dont wait, call today before its too late.
