This modern and fabulous single level family home offers a great floor plan and a real sense of space and style that will meet all your needs. Located in the quiet coastal suburb of Sunset Strip only a short distance from the popular Smiths Beach, Grand Prix track and Newhaven College, there will be plenty to love about this central and convenient location. Comprising a spacious and light filled living, kitchen and dining area, three robed bedrooms and two bathrooms; the master bedroom is located at the front of the home and is complete with an ensuite. The contemporary kitchen is equipped with laminate benchtops and stainless steel appliances including the electric cooking and dishwasher. Flowing off the main living area is an expansive deck which wraps around one side of the home - this is a perfect spot to entertain guests or unwind after a day at work. Offering a host of additional features including split system heating and cooling, polished timber flooring throughout, double glazed windows, low maintenance gardens including the landscaped front yard, a double garage with internal access and ample car accommodation. This beautifully presented residence is set within a level 380sqm (approximately) fully fenced allotment and would make an excellent permanent home, holiday getaway or investment property. This property for sale in Sunset Strip is proudly presented by Ray White Real Estate Phillip Island.
