A breathtaking level of contemporary sophistication defines the stunning indoor-outdoor spaces of this brand new architecturally designed four bedroom three bathroom plus study residence enjoying direct access to All Nations Park. With its distinctive façade featuring hanging gardens, this modern haven curved around an inner courtyard oasis will make your spirits soar with its lofty double height ceilings and vast double glazing arranged to capture northern light in an open plan domain where living and dining is delineated by a two-way gas fireplace, and access to an entertainer's courtyard featuring an outdoor kitchen and sparkling salt chlorinated pool is seamless. Smeg appliances including dual ovens and 900mm induction cooktop, along with a Fisher&Paykel dishwasher, butler's pantry, sleek stone counters and soft-close joinery feature in a gourmet kitchen that perfectly unites form and function, while a custom study concealed behind a statement staircase takes in views of the pool. Polished concrete floors with in-floor heating and curved details including walls echo the homes distinctive façade and the staircase leads to a light filled retreat and bedrooms with robes connected by a suspended hallway. Each bedroom opens to a balcony, and they share exclusively tiled designer bathrooms with brushed nickel fixtures. The master with a glamorous walk-in robe and ensuite with a freestanding tub, taking in views over All Nations Park. A ground floor master with a WIR and ensuite, luxe laundry and powder rooms, zoned heating/cooling, endless storage, keypad entry and double garage with internal entry complete this spectacular home sublimely situated a short stroll to vibrant High Street and zoned to Northcote High.
