Situated behind a picket fence this class family home is full of character, offering three bedrooms, one bathroom, and a single car garage, this 446 square meter home exudes charm while maintaining a modern aesthetic look. A spacious home with an immense driveway and backyard, the outdoor space perfectly fits a family with enough room to move around and enjoy family time together. The Open Plan Kitchen Living and Dining area is a perfect place for the whole family with large island bench and stainless steel appliances, located in the central hub of the home is the split-system to keep you cool in the warmer months and warm in the winter with added gas log fireplace creating a cozy focal point throughout the home. The three carpeted bedrooms are bathed in light from the generously sized sliding windows. Located towards the rear of the home is family bathroom with shower, toilet and vanity. The Spacious laundry has plenty of room for storage and separate toilet for added convenience. Outside is an undercover alfresco area perfect for looking out and enjoying your spacious backyard, with rear access and double carport. Located in a family-friendly street only moments from eateries, schools, parks and the popular township of Eaglehawk this property is a great opportunity for both modern and urban living!
