Ideally located right on the edge of town, yet only short stroll to Stawell Secondary College and St Pats Primary School, this delightful western red cedar home is set on a massive allotment of over 1,500m² and has the convenience of rear access. The established gardens provide a charming street appeal and create privacy to the three bedroom home. Enter through the front door and be greeted by a huge family room, with French doors providing access to the rear deck. The separate dining area is open to the living area and leads to the updated kitchen with a 900mm stainless steel gas cooker, dishwasher. The kitchen is combined with a second living area. The bathroom has also been updated and has a bath, separate shower and vanity. Outside the gazebo style entertaining area is a feature amid the relaxing garden setting. There is also the convenience of an outdoor toilet and double carport. With so much on offer, you will not want to miss out on this one.
