Immaculately presented and lovingly maintained, this welcoming family home is set across two spacious levels to provide a peaceful family retreat with room to grow. The gourmet kitchen is well appointed with quality appliances, ample storage and plenty of bench space to ensure effortless meal preparation for busy families. The sundeck, accessed via the main living area, provides seamless indoor and outdoor living. Both bathrooms are practical in design with a touch of opulence, and five bedrooms - three on the ground floor and two on the upper level, combine with multiple living rooms to provide plenty of space for large families. A combination of toasty wood heating and reverse cycle air conditioning offer year-round comfort throughout the home. The surrounding gardens are simply stunning with an array of fully established trees and shrubs and an abundance of wildlife, including a resident platypus. Secluded and serene, this impressive leafy haven is a true slice of paradise, close to the amenities and essential services in New Norfolk and all within forty minutes' drive of the Hobart CBD. The property also boasts a substantial sized shed complete with power, water and a wood heater and is an ideal space to park the toys or tinker. A double carport alongside the home provides additional accommodation for vehicles and there is plenty of additional parking on site. This truly is a unique opportunity, so call Joel today to arrange an inspection.
