\$400 per week

This well-kept three-bedroom, one-bathroom house offers comfort and convenience. Each bedroom features carpeting and built-in robes. The bright formal lounge has a split air-conditioner and wall heater. The kitchen boasts ample bench and cupboard space, an electric oven, and a backyard view. A laundry room with yard access and a separate toilet complete the layout. Outside, entertain in the alfresco area with drop-down shade blinds. The large yard with mature gardens is perfect for kids and pets, plus there's a garden shed. With a carport and garage, there's plenty of off-street parking and storage space. Please note rent is calculated per calendar month = \$1738
