In a vibrant location surrounded by the very best of Blackburn, suburban living has never looked so good, walking distance from Blackburn Station Village offering a smorgasbord of fine dining options, popular cafes and retail outlets. With a compact and efficient layout, the living and dining room are flooded in light and provide a great place to relax, supported by a gourmet Bosch kitchen featuring stone benchtops and clever storage solutions. The bedroom delivers a restful night's sleep and features a built-in wardrobe, complemented by a modern bathroom. Sliding doors open to a south-facing alfresco balcony; with property features including video intercom, split system air conditioning, a Euro laundry, basement parking and a storage cage. In a high-demand location moments from Blackburn Lake Sanctuary and a wide selection of local parks and walking trails, the Eastern Freeway/EastLink, Blackburn Square, Deakin University and major shopping centres.
