Serene, Spacious & Sun Filled Exceptional location, light and lifestyle delivered in this luxe top floor corner apartment that offers convenience and contemporary living at its finest. In a prime North facing position, an abundance of floor to ceiling sliding doors opening from three separate points onto the generous terrace offering a natural flow for indoor/outdoor living and entertaining. The decision is yours to dine inside amongst the style and luxury of this apartment or outside on sun filled terrace with family and friends or bask in the shimmering sunshine in complete privacy. Put your feet up and relax in a secure and private, ultra low maintenance dwelling that you can lock and leave with little to think about. Open plan living and dining harmoniously flows from modern generously sized kitchen through to terrace areas. Enjoy meal prep in your designer kitchen with sleek and stylish black and white cabinetry, black mirrored splashback, ILVE appliances, including integrated dishwasher and functional island bench is sure to impress. Master bedroom with marble tiled en-suite and built-in robes with all the extras. Additional features of this spacious, sunny stunner include split system heating and cooling, discreet European laundry, security intercom, lift access, basement parking and enclosed storage unit.
