Striking in its design by DKO Architecture, this north facing one bedroom second floor security apartment is a brilliant celebration of style, sunshine and sensational convenience. In BPM's boutique 'Walter Carnegie' development on the edge of all the action, this chic retreat features a dazzling living and dining area opening the sunlit alfresco balcony, a designer marble kitchen (Smeg cooking appliances) extending along with concealed cabinetry (Fisher & Paykel integrated fridge/freezer and Euro laundry), a radiant bedroom (built in robes) and a vogue bathroom. Catching the eye with its copper highlights, this premium apartment is fitted with engineered white Oak floors, taupe herringbone carpet, Daikin reverse cycle air conditioning, double glazing, double blinds, video intercom and lift access to a storage cage and secure basement parking. Explore Koornang Road's celebrated eat street, grab your fresh produce from the diverse grocers and immerse yourself in the gentrified café scene, plus you can walk to Koornang Park, the 67 tram and the Carnegie station train that's just one stop to Monash University in Caulfield.
