Located in close proximity to schools, shopping and the local medical centre this property is perfect for a family looking for a project! The home sits on a 2270m² (approx) block and boasts 4 bedrooms, 1 bathroom, lounge, dining, kitchen, and a spacious sunroom/enclosed verandah. With a modest decor, the bones of the property are good and with some restoration or renovation the property will truly evolve. The layout of property - house and yard at the front of the block and small paddock at the back, allows for a rural lifestyle with chickens and/or poddy lambs or possible future subdivision. Escape to country town living today!
