Situated in sought-after Tamborine Village this property has so much potential for the buyer that wants to make it their own. Recently stripped, except for one bedroom a bathroom and kitchen, this property is ready to put your stamp on. Five very good acres of land fully fenced complete with a good sized home, plus a double garage/shed with roller doors and Colourbond barn (9m x9m) large enough for all the "boys toys" or ideal for the tradesman to store or work from home. The office attached to the shed will make a perfect addition for someone who wishes to have a home based business. The home was built in the mid 80's of solid brick construction with benefit of solar power. This lovely home boasts cathedral ceilings, a large lounge, open plan living, a wood combustion fire for the cooler evenings and a reverse cycle air conditioner. The rear veranda is ideal for entertaining with an additional toilet within the laundry. A great bore assists with the watering of the fruit trees and the large dam enhances the possibilities of this property. Room for the family pony and secure for your pets. Features include* Brick home* Solar Power* Wood fire place* Air conditioning* Large undercover entertaining area* 10m x 6 m Shed with office* 9m x 9m Barn with roller doors* Bore* Massive dam* Paddocks for stock* Fruit trees* Close to schools and shops* 5 usable acres
