Bespoke Design, Boutique Luxury

Embracing spectacular garden outlooks and a prized western orientation, this sensational boutique residence's sophisticated styling, breathtaking proportions and superior level of quality deliver a luxurious lock-up-and-leave lifestyle without compromise.

Oversized natural white tiles and high ceilings enhance the overwhelming sense of space and light in the palatial open plan living and dining room with a state-of-the-art Miele kitchen boasting waterfall stone benches and a walk-in pantry. A bank of glass sliders opens the living to a deep full width west-facing undercover terrace. Overlooking the leafy landscaped gardens, it's an idyllic venue for all weather al fresco dining. Superbly zoned accommodation, all opening to the terrace, comprises the main bedroom with customized walk-in robes and lavish en suite, and two additional robed bedrooms and a stylish bathroom in a separate wing.

In a tranquil pocket yet only moments to West Hawthorn Village, Hawthorn station, Yarra River parkland, elite schools and Glenferrie Road shops and restaurants, it includes alarm, video intercom, zoned heating/cooling, remote blinds, powder-room, laundry, storage cages and 2 basement car-spaces
