This is an opportunity to purchase one of Convesso's 2 bedroom luxury home with harbor views and a secure parking to boot. Located in the Victoria Harbor precinct, you'll love everything about this contemporary abode and its tasteful internal design. The open plan living and dining area allows access to a serene harbor view in a western aspect with Bolte bridge and western horizon as your backdrop. This property sets itself apart from all others with quality carpeting in your sleeping quarters, an extensive balcony with sufficient room to entertain. Your living area leads to an open air balcony terrace that is generously spaced and excellent elevated privacy, plus superb western views of docklands wharf. Residents of the Convesso complex will have access to a 24-hour concierge, communal lounge, business center and board room, indoor cinema, north-facing sky garden with BBQ facilities, 25m indoor heated pool, spa, sauna, gymnasium, and treatment room. The Convesso building also has a 5 star energy rating, which is the only residential development in the Docklands to achieve this status. Contact agent now to find more or to schedule an inspection.
