Sitting pretty on just over half an acre & two titles, this stunning 1840's cottage is an absolute gem. Double brick and surprisingly spacious, this gorgeous home is in immaculate condition and has been lovingly cared for.

With 10-foot ceilings, ornate ceiling roses and cornices, timber floorboards, and generous size rooms, this cottage offers beautiful spaces to live in, bnb and / or potentially operate a business from (STCA).

The layout of the home contains two self-contained areas allowing owner occupancy whilst also returning an income. There is an option to build a second home on the vacant second title (STCA)

Stunning mature plantings give the grounds a parklike feel, and good access to the rear of the property makes it ideal for large vehicles or trucks.

Features:

- * Air conditioning + open fireplaces
- * Polished timber floorboards
- * Three living rooms
- * Open plan kitchen / dining
- * Double lock up garage + double carport

Sandstone block pavers line the front veranda and the lovely bits all around showcase this property's history and complement its beauty.

Once home to Clarendon Cottage Antiques, this property delivers a pleasant surprise. A classy property that oozes quality and old-world charm.

One of the Hawkesbury's rare finds on offer for the first time in several decades.
