In the exemplary 'Maple' development, this awe-inspiring 1 bedroom 2nd floor security apartment showcases a high caliber of design and finish. Designed by Stokes Architects with exposed concrete ceilings, marble look porcelain, timber accents and matte black tapware, this vogue sensation reveals a dynamic living and dining area with deep undercover west facing balcony, a seamless porcelain kitchen with Smeg black glass cooking appliances and Fisher & Paykel dish drawer; a cavity sliding door to the bright bedroom with built in robes and a chic ensuite with European laundry. In this thriving pocket with strong potential rental returns, this excellent pad is appointed with double glazed windows and doors, solid surface vanity, European Oak floors, reverse cycle air conditioning, video intercom and lift access to secure undercover parking. In this super convenient location, a heartbeat to the 75 tram, Renaissance IGA, Burwood Road eateries and Hawthorn station, walk to St James Park, Grace Park, all the Glenferrie Road excitement and Swinburne University of Technology.
