\$360,000 - \$390,000

Immerse yourself in the designer luxury of 'Equus' - a boutique building just north of the town centre - thanks to the stylish surrounds of this light-filled lifestyle abode. Situated on the uppermost level with the convenience of lift access up and down to the secure parking space, the home presents a sophisticated opportunity sure to appeal to busy young buyers, savvy investors or even discerning empty nesters looking for the ultimate in daily ease. Open plan and made for comfort & function, the layout comprises a combined living/dining zone that connects with the smart stone kitchen highlighted by Bosch appliances and enhanced by a chic herringbone mosaic splashback. Extending the living into the fresh air, the generous balcony enjoys views across the rooftops and offers space to fire up the BBQ while a peaceful double bedroom with fitted wardrobes plus a stylish bathroom & Euro laundry are also offered. Including split system heating/cooling keeping the interiors comfortable year-round, this sleek package is rounded off by video intercom and a basement storage cage. The easiest stroll down to the station, cafes & shops, just moments to parklands and close to trams & buses, the home is also just one stop from Monash University Caulfield. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
