Our most recent design has proved popular because of its innovative yet functional floorplan - architecturally designed for you to make the most of our ideal local climate. Among the many unique features are the dual courtyards providing two alfresco options. High ceilings throughout and premium oak flooring combine to create a feeling of rare sophistication. Incorporating two master bedrooms with en-suite, and a spacious bathroom. The double garage guarantees extra storage and naturally the convenience of internal access. Extra features include ducted reverse cycle air conditioning, contemporary facade and an Avant upgrade. With its warm sense of community, and only moments to shops, eateries and beaches this home provides all the elements for relaxing, comfortable and easycare living. For high end living, this home ticks all the boxes and inspection is a must.
