Price on Application

This charming 1940s Milton cottage, centrally located close to shops and schools, has been lovingly restored and updated for modern living. Exuding timeless charm with 9 ft high ceilings, wide hallway and generously proportioned bedrooms, there is plenty of space to enjoy with four bedrooms, 2 renovated bathrooms, and a sunroom. The Master features ensuite, plus huge walk in wardrobe and study nook. Light and airy, the modern kitchen/dining area features bright splashback, large island bench and plenty of storage space and easy access to a beautiful shady porch, plus fire pit area. The property is securely fenced with off street parking for two vehicles on a gravelled driveway. Plus there is side access to a large shed/garage with two roller doors, and a chook pen and plenty of space to create veggie gardens. Take a leisurely walk to the Milton's bustling boutique shops, cafes, restaurants and art galleries or a short drive to beautiful South Coast beaches and popular walking tracks such as Pigeon House Mountain. Make your sea/tree change now and start enjoying all the outdoor leisure activities this beautiful coastal location has to offer - surfing, swimming, fishing, kayaking, paddle boarding, cycling and bush walking. We love: * 9ft ceilings, double glazed windows* Internal laundry, 3rd toilet* Securely fenced with plenty of off-street parking* Side access to rear * Large level 815.5 m2 block with subdivision potential
