Two homes for the price of one, great opportunity to purchase a large home on the one allotment in a great location in the Heart of the Milawa Gourmet Region. Six bedrooms in total with three bathrooms in ideal for larger families to reside together or a separate AIR BNB to provide an excellent rental return. The original home is a period style home with three bedrooms and the newer home is four-bedroom two-bathroom home. The land size is approx. 3734m<sup>2</sup> providing ample room for families or even enough space for a pony. There is a bore for great water supply plus tank water giving ample water for veggies and an all year-round lawn. This is a great opportunity to purchase a property that could be potentially provide a great rental income or ample space for a large family.
