This house and land package located on Lot 2158 in The Coast Stage 2 offers a home design perfect for families of all sizes. When you choose to call our latest land release home, we bring all of life's essentials to your doorstep. From the 1.7km of swimming beach directly accessed from our stunning foreshore, to the coastal amenities of our Treasure Island Adventure Playground and favourite Oceans 27 Restaurant - just add you. We'll provide the rest. A home design with all you need and more. This eye-catching design is full of treasure; a spacious open plan living, dining and kitchen area to make new memories in, a theatre room for those times that you can't agree on what to watch, and four large bedrooms so that everyone has their own space. We can't get enough of the Hamilton. Plus, we've made the master bedroom perfect for two. Not only is it secluded from the living area and minor bedrooms, but it also has its own ensuite with walk-in robe. The Hamilton is ideal for a growing family.
