FOR SALE

First time to the market in 31 years I proudly present to you this immaculate low set brick home that has been tastefully renovated internally with quality fixtures and fittings throughout. When you step in side you will be blown away with the natural light and space of the living room which flows out nicely to the generous entertaining area which backs on to a back yard suitable for families and furry friends alike. The layout of this home is extremely functional as the bedrooms are located perfectly at the rear of the property to block out noise and seperate the living and dining areas. This property has been completely renovated to a very high standard featuring new flooring, new ducted air-conditioning, new huge kitchen, new carpet in bedrooms, new bathroom and much much more so that the new owners can move in and enjoy the home straight away! This property is located within walking distance to the Taigum square shopping centre, public transport and multiple schools and needs to be inspected to be truly appreciated. Please call Michael Korkou on 0422257742 for more information or to inspect the home as I'm positive this home won't last long! Property Features:-Low Maintenance 546m2 block-Brand new Ducted zoned airconditiing system-brand new laundry area -Brand new expansive kitchen -Freshly tiled front entertaining area and rear entertaining area-Completely painted throughout -2 Car internal accomodation with room for 2 vehicles out the front -Manicured front & back gardens with room for a veggie patch- Garden shed for more storage - Water tank - New security screens - Brand new epoxy flooring in garage - Perfect for investors, First home buyers & downsizers!
