Situated in a quiet and short street, this home is ready for the master's touch. Set on almost 600M2 there is a shed and carport for the enthusiasts to store, tinker or set up the small business you have been considering. The home has three bedrooms, gas heating and parts of the home are renovated but need either finishing touches or some will need stripping back and restarting. Outside is a large decking and entertainment area overlooking a spacious back yard. Walking to the Ballarat CBA is an option or there is public transport close by with Eureka Street just a block away. For more information and to get through please call Tim.
