Overlooking Lake Eppalock and with access to the lake through your front gate this property is a rare gem. Water views, established trees and a dam combine with privacy to create a fabulous retreat from the stresses of everyday life. The two bedroom weatherboard home presents a fantastic opportunity for the new owners to renovate and reap the rewards. The home is in original condition with the option of two living areas or a three bedroom layout. The home along with the shed has power connected. This affordable 9.96ha property with absolute lake frontage is a once in a lifetime opportunity to secure water front property in a tightly held location. An inspection is the only way to appreciate all this property has to offer, book yours today.
