Showcasing stylish appointments across a practical single level floorplan, this bright and airy family home provides a low maintenance living environment in a prime location. It's tailor made for first homebuyers, young families looking to upsize, or downsizers seeking easy access to local amenities. Interiors welcome with classic high ceilings, neutral tones and modern easycare flooring, before flowing through to a generous open living and dining zone and a private sunlit courtyard beyond. Tucked away in a quiet street, it still promises excellent everyday convenience, placed within a stroll of the colourful shopping, dining and entertainment choices lining King Georges Road. It's also just a walk to popular coffee spots, IGA and the cinema, as well as the local primary school and Beverly Hills Station. • Light filled lounge and dining rooms, both open into alfresco areas • Paved easycare courtyard has leafy outlooks, space for garden beds • Side carport also ideal as private covered setting for outdoor meals • Kitchen offers gas cooktop, stainless appliances, subway tile splash • Three double bedrooms, two with built-ins including the larger main • Two well appointed family bathrooms plus discreet European laundry • Split system air conditioning, huge Colorbond storage shed/workshop • Single carport plus secure undercover space for two additional cars • Walk to Oliver Brown/Pancakes on the Rocks, easy access to the M5
