This spectacular 4.5 acre property has as good a block of land as you will find. With a gentle northern slope, it is perfect for horse lovers, with plenty of room for an arena. The 2 bedroom cottage has been beautifully decked out with a new kitchen and living area, offering a comfortable lifestyle indoors, whilst the large covered rear deck has ample room for entertaining. This property will suit buyers looking for that perfect block of land, that also has a comfortable home, at an affordable price. There may also be an opportunity to build a large main dwelling (subject to council approval). Properties like this are extremely rare, so call ME now to inspect. The Property Features: - Lot 6 SP270423- 1.855 Hectares - 2 Bedrooms - 3 Car carport - 2 sheds (including the original dairy)
