Blissful with its west-facing orientation capturing spectacular, ever-changing sunset vistas, this 2-bedroom, 2-bathroom apartment is top-floor lifestyle living at its best, proudly opening the door to an exciting first home opportunity or quality investment prospect. Creating a comforting space for both respite and entertaining, the free-flowing living and dining area rests between a sleek stone kitchen, well-appointed with a gas cooktop, dishwasher and filtered water tap; and a private undercover balcony terrace overlooking the manicured gardens highlighting a grand Canary Island Palm tree. Instantly appealing, the main bedroom is fitted with floor-to-ceiling robes and is complete with a sparkling ensuite, whilst the second bedroom - also with floor-to-ceiling robes, is supported by a separate bathroom with a European laundry. Gorgeous Oak-inspired floorboards enhance the chic contemporary style while reverse cycle air conditioning ensures year-round comfort, and video intercom entry and secure underground parking provide peace of mind. Conveniently located a short walk to Westall station to hop on the city-bound train, Westall Secondary College, eclectic eateries and specialty supermarkets, it's superbly close to local shops, Springvale Homemaker Centre and Monash University.
