Proudly marketed by Ron Berkley of Ray White Inverell and constructed by the highly popular McMahon Structural Team. Situated in a quiet secluded area featuring rural views and adjoining parkland. Coolibah Drive is the perfect low maintenance, easy living 3 bedroom, 2 bathroom home. A light filled open plan design highlights functionality with easy access to the generous kitchen, dining, living and leading straight onto the AI-Fresco area. The quality build features modern finishes, polished concrete floors throughout, high end appliances and split system reverse cycle air-conditioning. A highlight of the home is the private upper level master parents retreat that includes an ensuite and walk in robe to please any fashionista. This multi award winning home is a solid investment for some one looking for low maintenance living or a sound investment return. The property is a must to inspect to appreciate why it is such a tightly held prestige location.
