RENOVATORS DELIGHT OR BLOCK FOR DEVELOPMENT WITH MASS POTENTIAL

Looking for a fixer-upper? Well look no further than the old Saint Alban Dorm Block. With large open areas, toilet amenities and a kitchen this property is ready to have a facelift. Not only does the property come with a large dwelling, it is also situated on a just over an acre allotment. To the back of the property, you will find a quaint area that homes a living area, main bedroom, small room adjacent main bedroom, kitchen, bathroom and internal laundry.

On the 4194m² block you will also find that the old concrete swimming pool has been removed which creates so much more land to utilize with back and side fencing.
