For all the properties on the market right now there remains a shortage of quality townhouses for sale. So if you have been looking for a modern, spacious and low-maintenance property be sure to act quickly on 21A Plymouth Street – one of only two on the block and with no body-corp or shared driveway. Plenty of great features including ducted split system heating and cooling, quality flooring, chef's kitchen with induction cooktop and electric oven, dishwasher, step-in pantry, three roomy bedrooms including master with ensuite and walk-in robe, and still with that “new” feel throughout. Large double lock-up garage with internal access to the home, undercover outdoor area with, and very low maintenance living – ideal for those who no longer want to tend a large garden or those seeking a base they can lock up and leave. Well fenced for privacy and protected from road noise being the rear townhouse. Located on its own title on 371 square metres (approx.) with street front access. Respected local builder. Enquire today before it's gone. Disclaimer: Disclaimer: The information contained herein is intended as a guide only and no guarantee is provided as to its accuracy.
