On entering the front door you enter a living room or dining and kitchen. The kitchen, with its modern appliances and ample counter space, beckons for culinary adventures. Behind the kitchen is a large lounge or a combined lounge/dining that faces north and looks out to the paved backyard with a small garden waiting to be loved again. The master bedroom faces north for the Northerly breezes, sliding door out the back yard that gives the room plenty of natural light. The second bedroom, though smaller, offered a peaceful retreat with its comfortable bed and serene ambiance looking out to a smaller garden with full privacy.
