A triumph in master design, this superb residence is a sublime oasis of luxury and space meticulously cared for by owners, boasting a series of formal and informal living zones which flow effortlessly onto a beautifully tree-lined rear garden, a parakeet's delight. A very glamorous master bedroom is certainly destined to impress in every aspect, the scale of this home and the quality finishes are extraordinary. With wonderful neighbours offering a real sense of community this impressive property is set only two blocks from beautiful swimming beaches, just a short, cut-through, walk to glistening waters, beach front parklands and meandering walkway paths, a lifestyle by the beach just doesn't get any better. In support of renewable energy and a reduction in costs, the owners installed 32 solar panels, an incredible asset to this really lovely property.
