Welcome to your next home in Modbury North, South Australia! This charming and warm split-level 3-bedroom, 1 bathroom home is perfect for any family looking for a fresh start. With 2 car parks, a spacious 566. square metre land size this house has plenty of room for you to make it your own. Inside, the house is equipped with built in wardrobes for the bedrooms, and a brand-new gas space heater and evaporative ducted cooling system to keep you comfortable all year round. The master bedroom is also equipped with a brand-new ceiling fan. The current owner has just completed extensive renovations to the home with new paint inside and out. New carpet in the lounge and bedrooms and landscaping at the front and rear yards. The outdoor entertainment area is the perfect spot to host summer barbecues and family gatherings, and you can rest assured that it is fully fenced to keep the little ones in. The addition of a fan for the warmer days and zip blinds/privacy screens that allow fresh air through for privacy all along the side and back. You will see in the rear yard adjacent to the entertainment area, there is a large flat foundation that was added when the home was built, initially for an extra room but the owner found it surplus to her needs. There is also a shed for extra storage or a workshop area at the bottom of the yard.
