Perfectly located amongst quality homes in the highly sought "Village Horizons" estate on Berwick's North side this renovated family home will tick a lot of boxes! With soaring cathedral ceiling, an open fireplace for cosy winter nights and 3 separate living zones, other features include: Master with full ensuite and WIR, 3 further good sized bedrooms with double robes, 4 reverse cycle air conditioners for heating and cooling, ducted vacuum, upgraded kitchen with S/S appliances and a huge rumpus for the kids. Outside there is a decking with pergola, large back yard with the obligatory lemon tree, double remote garage with rear access and lovely established gardens. With schools, shops and transport close by and just a short walk to Berwick Village this is a wonderful place to live! Your energy bills will also be dramatically reduced with the massive 10kw of solar panels. Inspection with confidence.
