Nestled away in a hidden community is a piece of paradise completed with lake and boardwalk. Split across 3 levels this home is sure to impress, the ground floor has a double garage with internal access to a large laundry and into the entry with a good sized bedroom and large ensuite. Take the stairs to the first level and prepare to be amazed, panoramic views of the lake from every window. A large sleek kitchen with island bench flows onto the open plan meals and living room, complete with a enclosed Balcony and powder room. The second level is for sleeping with a large master including ensuite and walk in robe and private balcony, an additional 2 bedrooms with large BIR and family bathroom with separate bath and walk in shower. Split systems to all bedrooms as well as the living area, secure and good sized rear yard. Beautifully presented home call today for your inspection
