The Price is Right on BrightWhere a great location and a good-sized block of 960m² meets neat and complete easy living. This well-appointed and maintained home boasts spacious rooms with a neutral palate throughout, open plan kitchen and meals area featuring a built-in pantry, breakfast bar, electrical appliances including dishwasher, double sink and rainwater plumbed to house. Big windows for loads of natural light enhance the feel of the large lounge and home in general. The bedrooms are all generous in size with the main with floor-to-ceiling robes and semi-ensuite to the two-way bathroom. They have thought of everything here, including two loos, both separate and a large laundry. A well-thought-out floorplan with no wasted space and ample storage, plus ducted reverse cycle heating and cooling. The exterior features rival the interior with expansive entertaining, wide driveway (room for the caravan and/or boat), large double garage with concrete floor and power, plus lean-to carport, 5Kw solar and rainwater plumbed to the house. Set in mature easy-care gardens with a relaxing elevated view from the back yard. A peaceful and private setting.
