22 Central Park Avenue is exactly that, Central. A bespoke residence with timeless appeal and set upon an oversized approx. 1/4-acre allotment. With striking street appeal many will recognise this as one of their favourite Traralgon homes. Externally the lawns and gardens are stunning yet low in maintenance, the established trees are magnificent. Built by award winning builders T & B Chugg, an inspection will impress. This spectacular property has all the hallmarks of a quality family home including four large bedrooms, multiple living zones, ample yard space and within a five-minute walk to the Traralgon CBD. Additional features include:- Master bedroom with walk in robe and ensuite.- Spacious ensuite including separate bath and shower.. - Additional three bedrooms two with built in robes.- Multiple living spaces. - Central family bathroom, including bath and separate shower. - Split system air conditioning and central heating.- Beautiful, manicured garden.- Solar power system. A short stroll from this stunning property includes but not limited to, state of the art tennis courts, kilometers of walking tracks, cinema and of course the multiple of cafes and restaurants that are a Jewel of this city. Don't delay, book an inspection, and make 22 Central Park Avenue your new address!
